

OCTOBER IS:

AAC Awareness Month

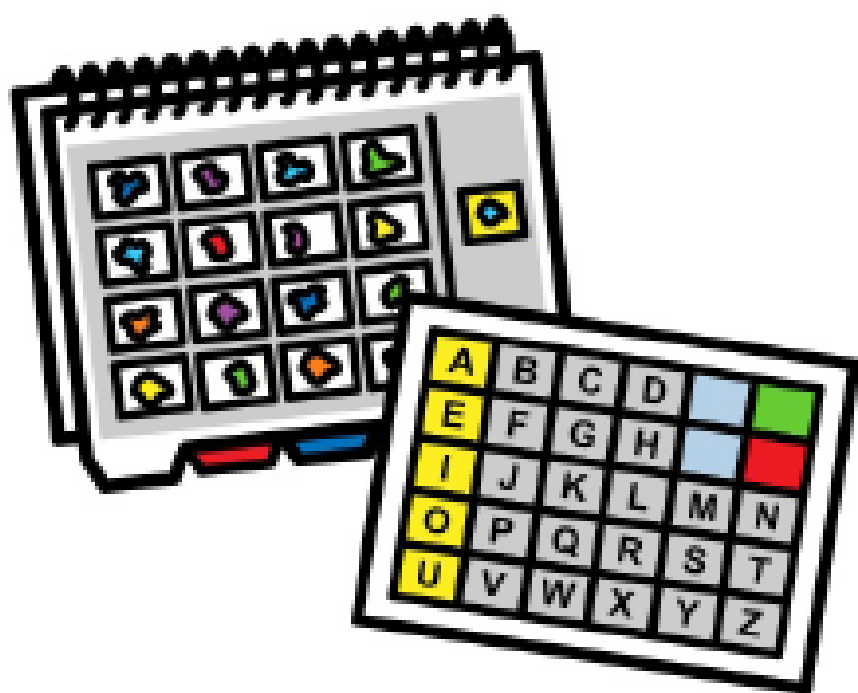

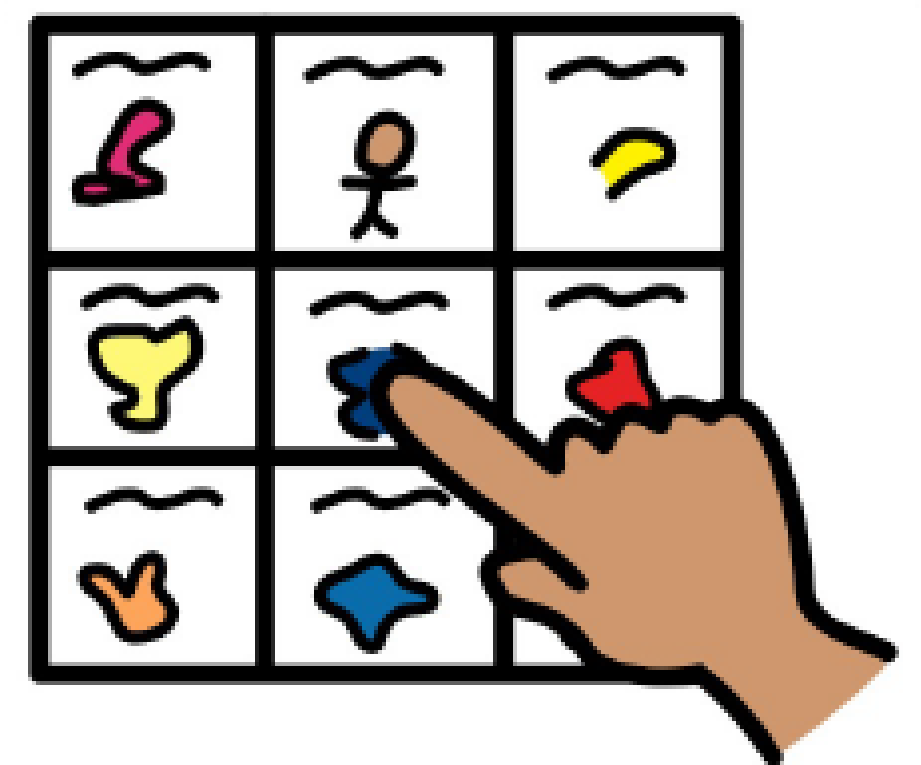

AAC Advocate

AAC is short for **A**ugmentative and **A**lternative **C**ommunication

Augmentative Communication:

When you add something to your speech (e.g. sign, pictures, letters) to help make your message clearer.

Alternative Communication:

When you need a different way to communicate, because you are not able to speak, or when your speech is not understood by others.

This year's theme is

“Innovation, Inclusion and Advocacy”

All through the month of October, let's celebrate the connection that comes from diverse and inclusive communication!
